

**NEW EUROPE EXHIBITION FOR MEETINGS,
EVENTS & INCENTIVE TRAVEL**
20-21 JANUARY 2016

ONE2ONE MOBILE PLATFORM:

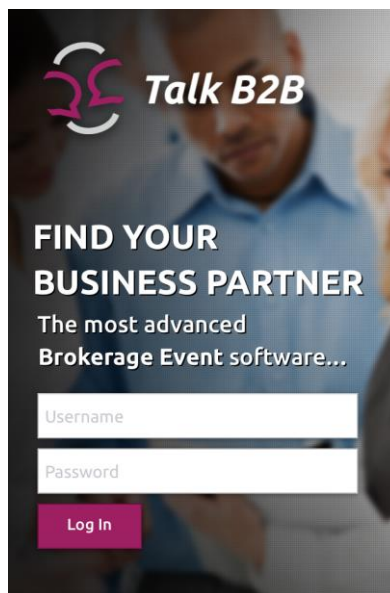

Dear Exhibitors and Hosted buyers!

You are kindly invited to download Talk B2B on your Smart phone. The application can be downloaded through:

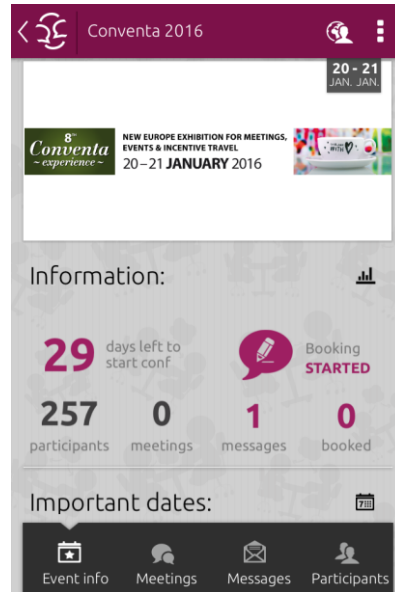

- [Google play](#)
- [App Store](#)

GETTING STARTED:

Once you have downloaded and installed your application you simply **LOG IN** using the same **e-mail address** and **password** you have.

After logging in you will see **Conventa 2016**. By choosing Conventa 2016 you open the event info, where you can see **important dates, number of participants, location and your meetings**.

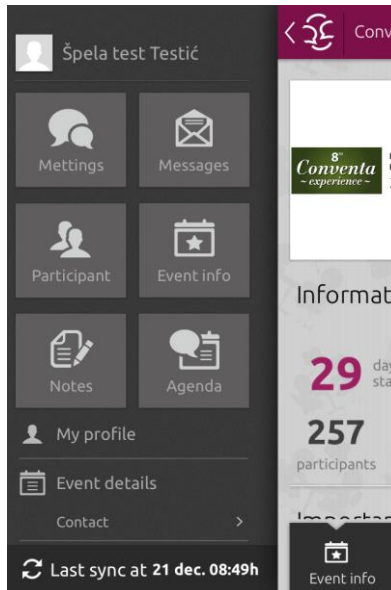

MENU, SIDE MENU AND BOTTOM MENU:

The application has several menus for easier approach to all the information, meetings, participants etc.

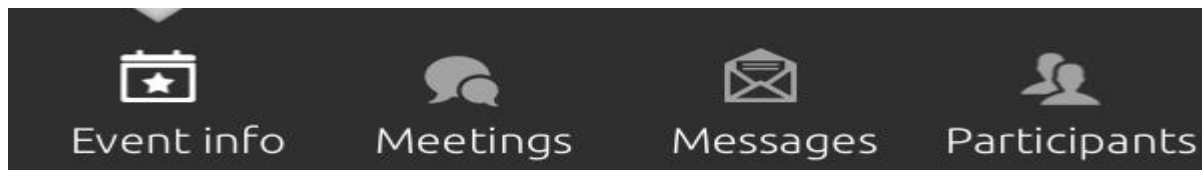

The Top menu bar contains the Logo button which serves as a **back button** , name of the event and the button that opens the **Side Menu** .

The **Side menu Bar** contains options for approaching the list of your **Meetings, Messages, Participants, Event Info and Notes**. You can also see your **personal profile** and **Logout** button.

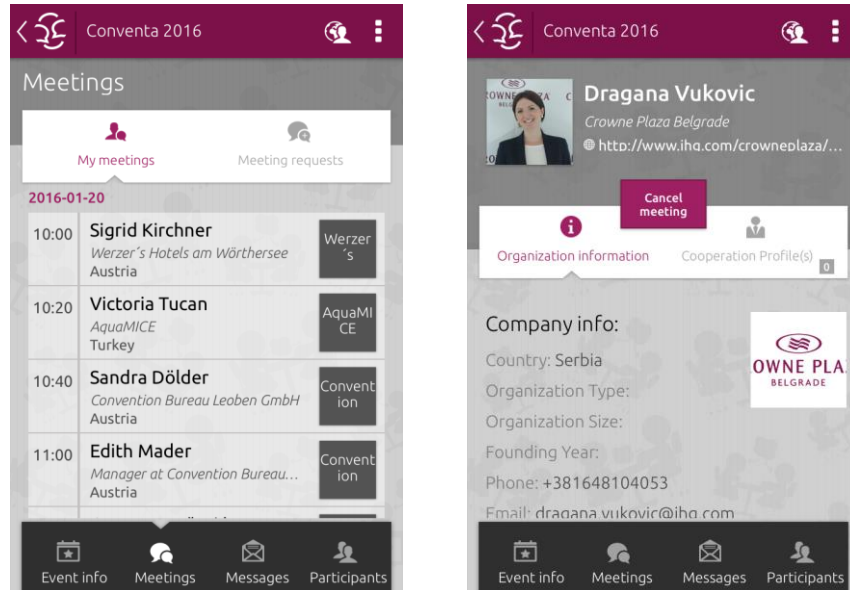

There is a **menu bar at the bottom** for easier approach to **Event info, your Meetings, Messages and Participants**.

MEETINGS:

When you select **Meetings button** at the **bottom menu** or **side menu** of the application you will open the list of your **confirmed meetings**. For further information about the meeting choose the meeting you want and select it. There is **Organization Information button** and **Cooperation Profile(s) button**. Be aware that this option serves ONLY as a reminder for the meetings that are previously scheduled on the web site. **You CAN NOT set up meetings on the mobile application.**
